Note: The progress of the lessons depends on the level of the students inside the class.

WHAT CAN I LEARN?

The learner will be able to familiarize himself/herself with the newly acquired vocabulary from the said topic and will be able to use them in sentences. He/she will also know how to accurately use imperative words or phrases in expressing his/her ideas. Being able to practice listening to determine the speaker's attitude while obtaining a deeper understanding about the usage of phrasal verbs will enable him/her to master the English language. Moreover, pronunciation skills will also be polished by practicing stress and intonation with the help of the audio recordings that will be presented in class. Lastly, he/she will learn how to present his/her ideas in an organized and persuasive manner.

CLASSROOM ACTIVITIES

Pair Work: Open Ended Questions
Unlocking of Vocabulary Words
Short -Film Viewing
Listening Activity
Speaking: Giving an Advertising Pitch

SELF STUDY TIPS

Reading is as important as listening when learning the English language. Reading and listening both sharpen the mind and train you to think in English too.
