WHAT CAN I LEARN?

In this unit, the student can enhance his/her higher order thinking skills since he/she has to provide response to questions that require his/her critical thinking. In addition, he/she can obtain a variety of information about useful vocabulary words and grammar such as *-ed* and *-ing* adjectives, verbs, nouns and suffixes. Moreover, the student can improve his/her pronunciation because he/she has to practice learning the correct pronunciation of certain words by listening to the audio recordings and pronunciation drills provided in the book. Since this class includes group activities, the student can partake his/her ideas to others which play a significant role in building his/her self-confidence. In the course of this lesson, he/she will be able to learn the appropriate utilization of vocabulary words, grammar and pronunciation for the enhancement of his/her speaking capability.
