Note: The progress of the lessons depends on the level of the students inside the class.

WHAT CAN I LEARN?

The student will be able to utilize an effective way of organizing his/her notes when writing dates and important information since he/she will make use of a timeline. He/She can now imbibe the relevance of acquiring the much needed presentation skills such as the importance of body language which includes eye contact, facial expressions, hand movements and the like as he/she presents his/her personal history. Furthermore, he/she will gain more knowledge about Two-Part verbs and its uses so as to sound more natural when it comes to speaking. He/She can then use a spider map to record new verbs and identify their meanings for better memory retention.
