WHAT CAN I LEARN?

The student will be able to enhance his/her lexical resource so as to describe various things while incorporating the proper Adjective Order he/she learned. He/She can also practice discussing the certain advantages and disadvantages about different topics using the modal verbs *can* and *can't* to talk about inability or possibility. In connection, this exercise will further enhance his/her ability to comprehend the given topic. Furthermore, the student will be able to improve his/her ability to pronounce words that are unstressed, stressed, and whether it has the full vowel sound or not through pronunciation drills and exercises. The student will then be able to practice on how to give reasons using words such as *because* and *since*. Different expressions for different emotions will be reviewed and tackled as well to make him/her sound more natural when communicating with others.
