<b>GRAMMAR FOCUS</b>	Collocations with Prepositions; Comparative and Superlative Adjectives; Rephrasing Key Ideas

Wednesday	Unit 9 Our Relationship with Nature (Pages 161-167)
Thursday	Continuation of Unit 9 (Pages 168-174)
Friday	Continuation of Unit 9 (Pages 175-180)
Monday	Unit 10 How We Communicate (Pages 181-186)
Tuesday	Review and Assessment

Note: The progress of the lessons depends on the level of the students inside the class.

#### **WHAT CAN I LEARN?**

The student will familiarize himself/herself with words that are frequently used together known as collocations. Using these will help him/her sound more natural as he/she sends his/her message across. Similarly, he/she will be able to talk about differences between two people or things with comparative adjectives, and to talk about extremes among three or more people with superlative adjectives. The student will then be capable of comparing nature with cities which will gauge his/her understanding of the above-mentioned topic. Lastly, strategies to end conversations, discussions or presentations will be provided so that the student can end the conversation on a good note since helping the listener remember what the speaker talked about can be crucial in order to have effective communication.

#### **CLASSROOM ACTIVITIES**
