WHAT CAN I LEARN?

The student will be able to apply the note taking in class and recognize a speaker's attitude while listening to the audio. He/ she can contemplate about how people survive in extreme weather/ environments such as a desert, a mountain top, the North or South Pole etc. Also, he/ she can give insights on the high-rise living of people nowadays. Moreover, he/ she can recognize word stress in compound nouns e.g. adjective+ noun and noun+ noun combinations and so on. Additionally, he/ she can point out the use of Will to talk about future plans, to make predictions, to make promises, and to make offers or volunteer to do something. Finally, he/ she will know how to be clear as well as how to focus in summarizing an article or ideas being presented.
